# Chattanooga Prep Way

- Chattanooga Prep will look different from your old school.
- Less than 33% of boys in Hamilton County are proficient in reading.
- These numbers need to change and we have every intention in changing them.
- Other options in our city are failing our boys. This isn't just about academics, but also about leadership.
- **SOLUTION:** Boys need *time* to think and more at bats with the material.

# Chattanooga Prep Way: Academics

Academic Excellence (Standard of Performance):

- Very High Expectations
- Sweat the Little Stuff - perfection is our goal.
- No excuses, find a way or make one.

# Chattanooga Prep Way: Extended Day

- Time on Task:
  - More opportunities to master reading and math skills throughout the day.
  - Day and school year is longer.
  - We simply don't have time and need to be urgent.

# Full Day and Friday Schedule

# Chattanooga Prep Way: Lifework

- Homework is called LIFEWORK at Chattanooga Prep because we believe words are powerful.
- It prepares students for life - they become better readers, mathematicians, scientists, historians, writers. However, what's more important they get on the path to becoming a man.
- Lifework is about being responsible with your time, being held accountable to your actions, and used as an extension of what you learned that day.
- Expect lifework and a reading log every single night.
- A Harvard Study showed homework done with effort and oversight is one of the quickest ways to gain academic achievement.

# Chattanooga Prep Way: Lifework

- Lifework will be turned in every morning during breakfast, or at the front desk, if you are late.
- If lifework is not turned in with effort and 100% completion the prepster will have study hall that afternoon, which is done at 5:30pm.
  - Communication will be sent out should your prepster have to attend study hall
- If homework is completed at study hall the student will receive 75% credit, but if it is not completed during that allotted time they will receive no credit.

**LIFEWOR**

# Chattanooga Prep Way: Brotherhood

- Promoting Brotherhood:
  - Lock-In
  - Built in social time
  - Voting based on leadership qualities - prepsters will choose who their leader will be.
  - After school activities - Prepster will know they have a community that they belong to. We will have multiple activities for prepsters to participate in.
    - Chess
    - STEAM Team
    - Robotics
    - Basketball
    - Soccer
    - Music: Guitar

# Chattanooga Prep Way: Leadership

- Developing Leaders:
  - Town Hall
    - Prepsters will be challenged personally, share life experiences, and understand the importance of expressing emotions.
    - Prepsters will also learn about the character strengths and experiences of various leaders (new and old) they can identify with.

# Chattanooga Prep Way: Involved!

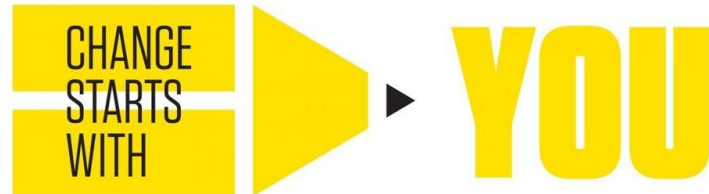

- 100% Engagement:
  - Paying attention 100% of the time by 100% of the students is what is expected.
  - It is too difficult to teach at a high rigor if students aren't attentive.
  - Teachers will be coached to reach this difficult bar and prepsters will be expected to meet that bar.
- Parent Expectations:
  - Commitment to the Prep way.
  - Reading every night, math every night, and making sure programs like Khan academy are done while at home.
  - Behavior expectations.

# Chattanooga Prep Way: Involved

## How To Be Involved:

- Ask your prepster for his reading log.
- Check his lifework - he will always have LW.
- Drop him off on time.
- Pick him up on time.
- Come to Parent Teacher Conferences night each nine weeks.
- Read the monthly newsletter to learn what your prepster has going on and what they're learning.

# Chattanooga Prep Way

- What to look forward to:
  - **Lock-In - July 17-18th**
  - **First day of School - August 6th**
